Sr.No.	Clause No/Page No of RFP	Description	Clarification/Amendment required by agency	Amendments
1	Appendix D – Certification	It certifies as - I, the undersigned, (Name and Address) certify that I would not leave the Project within the engagement by PSIEC/GOP/ for any continuing work of PSIEC /GOP/ without completing my assignment. I will be available for the entire duration of the current project (named.....). If I leave this assignment in the middle of the completion of the work, PSIEC/GOP/ would be at liberty to debar me from taking any assignment in any of the works for an appropriate period of time to be decided by PSIEC. I have no objection if my services are extended by PSIEC /GOP/ for this work in future. I further certify that to the best of my knowledge and belief, these data correctly describe qualifications and experience.	We propose that this clause may be replaced by following “I, the undersigned, certify that to the best of my knowledge and belief, this CV correctly describes me, my qualifications, and my experience. I understand that any wilful misstatement described herein may lead to my disqualification or dismissal, if engaged.” This clause is commonly used in all funded projects.	This clause has been changed as under: “I, the undersigned, certify that to the best of my knowledge and belief, this CV correctly describes me, my qualifications, and my experience. I understand that any wilful misstatement described herein may lead to my disqualification or dismissal, if engaged.”
